A Message From The Dean

On February 4, 1959, the Trustees of Montreat College, meeting at Charlotte, North Carolina, voted the following:

1. That Montreat College take the necessary steps to become a Junior College, fully accredited by the Southern Association of Colleges and Secondary Schools.
2. That Montreat College be co-educational.
3. That the tuition and fees be increased $100.
4. That Montreat College continue to be a Presbyterian Church College, dedicated to the service of Christ and His Church, that it continue to seek to serve the Church in a distinctive way, and that it seek to provide a Christian Education for men and women from homes with modest incomes.

This change necessitates a great deal of planning and reorganization. Working with Dr. Ralph M. Lee of the Junior College Division of the Southern Association of Colleges and Secondary Schools, the program stated in this bulletin has been evolved. You will note a strong "Liberal Arts" emphasis; all students planning to transfer to another institution for further study will be required to take English, Foreign Language, Mathematics, Science and Social Studies. We feel this emphasis will better enable the student to continue successfully his education. Bible is required the first year and is recommended as an elective the second year for students planning to transfer to another Church-related College.

The two-year business course remains basically the same as it was under the Senior College program.

Time does not permit us to complete a full catalog at this time. In this bulletin we have tried to cover the pertinent information needed for counselors and prospective students.

We would like to have you visit us or call by telephone if you have any questions regarding our program.

Montreat College will continue to do all it can to make it possible for young people with modest means to receive an education in a Church-related College. We are convinced that Montreat College, as a Junior College, will be worthy of your fullest support and we invite you to continue to have a part in its ministry through your prayers and gifts.

Sincerely,

GEORGE E. STOCKTON,
Executive Dean.

THE PURPOSE OF THE COLLEGE

Montreat's two year college is striving to attain the highest in Christian character and cultural development. It was founded as a part of the religious and educational program of the Mountain Retreat Association, which is a declaration of trust held for the Presbyterian Church in the United States. From the beginning the Bible has been in its curriculum, and the knowledge of its truths and duties has been a requirement for graduation. The College has always given prominence to the Christian religion. Montreat believes that one must be familiar with the great truths of the Bible; that life must be understood in its right relationship to Jesus Christ before one can be considered properly educated; that only a society dominated by Christian principles is worthy of claiming only the best loyalties of strong men and women; and that Christianity is the only force that will inspire and strengthen one to accomplish the highest in education and to achieve the best in life. Montreat would have every student coming under its influence to develop alert and well-disciplined minds, and to grow in the likeness of Him who is "the way, the truth and the life."

Montreat would announce three distinctive major policies: First, a program that is Bible centered, Christ centered, and Church centered, with sound academic standards; second, a full social-recreational program; third, low expense rates to students.

THE LOCATION

Montreat College is located at Montreat, North Carolina. Situated in the heart of the Blue Ridge Mountains, it is one of the most picturesque spots in America. Montreat is the home of the Presbyterian Church, U. S., almost exactly in the center of the population of the Church. Its health conditions and its climate are unexcelled. Montreat is near enough to Asheville to have all the advantages of the city when desired, and at the same time it has the quiet protection, seclusion, and grandeur of the mountains unspoiled by modern commerce.

Expenses

Fees paid by the students cover only a part of their instruction and of the operations of the College. Income from endowment and contributions from churches, alumnae, and other generous men and women meet the balance.

Montreat College is organized and operated on the basis of a full scholastic year as a unit. Therefore all charges listed below are for the full scholastic year and are due and payable in advance, but, for the convenience of students, charges may be paid as listed on the following pages. It is necessary that all bills be paid on dates specified.

All students are expected to matriculate for the full scholastic year and must not expect any fees or charges to be remitted on account of irregularity of attendance or change in plans except in cases of serious illness where the college physician advises them to return home.

All checks and money orders should be made payable to Montreat College, Montreat, N. C.
